Whether you are planning to sell your home, buying a home, or investing in commercial real estate, SeattleHomebody.com is the most comprehensive Seattle Washington real estate website.

Today, over 85 percent of all homes sold have been previously viewed online.

If a house sits on the market, the buyer thinks "In this market, why hasn't this house sold yet?" They figure something's wrong with it and they either ignore the listing or make a low-ball offer figuring you're desperate for a sale.

For an agent to make a name for themselves, they have to competently and skillfully represent their client and make the sale close.

Visit the tips for selling your home and about preparing your home for sale, pricing correctly, home inspections and more.

offer bidding wars in the industry. The investment property page has more information about the competitive

When the condo goes public with a big sign saying "over 30% sold," you'll be one of those who purchased before opening day.

Over six thousand King County homes since 2000 have been "built green certified" according to this Coldwell Banker have each created an interactive search.

Condos such as Ballard's Hjarta are sprouting up all over the downtown area.

If you're serious about investing in a new condo in downtown Seattle - you want to pick the best unit, for the lowest price - the presale events will almost always offer discounted pricing to prequalified buyers who purchase at the event.
