Whether you are planning to sell your home, buying a home, or investing in commercial real estate, SeattleHomebody.com is the most comprehensive Seattle Washington real estate website.

Today, over 85 percent of all homes sold have been previously viewed online.

If a house sits on the market, the buyer thinks "In this market, why hasn't this house sold yet?" They figure something's wrong with it and they either ignore the listing or make a low-ball offer figuring you're desperate for a sale.

For an agent to make a name for themselves, they have to competently and skillfully represent their client and make the sale close.

Visit the tips for selling your home and about preparing your home for sale, pricing correctly, home inspections and more.
