Over six thousand King County homes since 2000 have been "built green certified" according to this Coldwell Banker have each created an interactive search.

offer bidding wars in the industry. The investment property page has more information about the competitive. If you're serious about investing in a new condo in downtown Seattle - you want to pick the best unit, for the lowest price - the presale events will almost always offer discounted pricing to prequalified buyers who purchase at the event.

For an agent to make a name for themselves, they have to competently and skillfully represent their client and make the sale close.

These are in-depth, real-life industry tips.

Today, over 85 percent of all homes sold have been previously viewed online.

Whether you are planning to sell your home, buying a home, or investing in commercial real estate, SeattleHomebody.com is the most comprehensive Seattle Washington real estate website.

Most people think real estate agents say these things because they want a quick sale, but the data on listings that sell in the first three weeks versus listings that sell later make it perfectly clear that if you want top dollar for your house, you have to price it competitively.

If a house sits on the market, the buyer thinks "In this market, why hasn't this house sold yet?" They figure something's wrong with it and they either ignore the listing or make a low-ball offer figuring you're desperate for a sale.

Home Buyers Guide Read the 5 steps to home ownership and learn how to prevail in multiple offers.
