Real Estate Marketing Online Home buyers communicate differently than they did just a decade ago.

Jamee Harkins at Coldwell Banker, Seattle, can represent you in any residential real estate or investment property transaction.

Visit the tips for selling your home and about preparing your home for sale, pricing correctly, home inspections and more.

After that, the listing becomes vulnerable to low-ballers.

If a house sits on the market, the buyer thinks "In this market, why hasn't this house sold yet?" They figure something's wrong with it and they either ignore the listing or make a low-ball offer figuring you're desperate for a sale.

Read the reasons to sell your home in today's real estate market.
