When the condo goes public with a big sign saying "over 30% sold," you'll be one of those who purchased before opening day.

Visit the tips for selling your home and about preparing your home for sale, pricing correctly, home inspections and more.

Condos such as Ballard's Hjarta are sprouting up all over the downtown area.

If a house sits on the market, the buyer thinks "In this market, why hasn't this house sold yet?" They figure something's wrong with it and they either ignore the listing or make a low-ball offer figuring you're desperate for a sale.

Commercial Real Estate in Seattle Jamee has a reputation for prevailing in the most competitive multiple Whether you are planning to sell your home, buying a home, or investing in commercial real estate, SeattleHomebody.com is the most comprehensive Seattle Washington real estate website.

Today, over 85 percent of all homes sold have been previously viewed online.

The investment market is even lower on inventory than the residential market in Seattle.

For an agent to make a name for themselves, they have to competently and skillfully represent their client and make the sale close.

Real Estate Marketing Online Home buyers communicate differently than they did just a decade ago.
